Headquarters: Ashburn, VA

Miyo Projek, LLC (Miyo Projek), located in Ashburn, VA, is a Woman-owned, veteran-connected IT consultancy delivering enterprise technology solutions to federal agencies and mission-driven organizations. Our leadership team blends two decades of Microsoft 365, SharePoint, and Power Platform program leadership with hands-on Cisco network engineering and data science expertise, designing solutions that modernize legacy systems, secure infrastructure, and automate manual processes. **As a Microsoft AI Cloud Partner**, Miyo Projek delivers secure, scalable, and innovative Microsoft solutions that help organizations modernize operations, improve collaboration, strengthen cybersecurity, and accelerate digital transformation.

CORE COMPETENCIES

• AI & Data Intelligence	• Cloud Architecture & Integration
• Business Applications & Process Automation	• Networking & Infrastructure Services
• Modern Workplace & Collaboration	• Program Management & Transformation
• Cybersecurity, DevSecOps & Compliance	

DIFFERENTIATORS

- Certified Woman-Owned Small Business (WOSB) and Microsoft AI Cloud Partner — positioned to meet both socioeconomic set-aside goals and Microsoft's top partner tier for federal cloud modernization.
- 28+ years of combined technology leadership, program management, and digital transformation experience across HHS/HRSA, IRS, NRC, FBI, U.S. Department of State, and the Bureau of Engraving and Printing.
- Active Top Secret clearance on the team, including a current USN Reserve member with hands-on DoD network engineering experience.
- Direct delivery experience, not theoretical capability: SharePoint 2013-to-M365 migrations and Cisco AI-driven SDN/SD-Access modernization, executed for the agencies above.
